

SHORTER CATECHISMS

SC14

14. What is sin?

Sin is disobeying
or not conforming
to God's law in any way.
(Sin is idolatry -
which is putting anything,
any idol, in the place of God).

1 John 3:10

By this it is evident who are
the children of God, and who are
the children of the devil: whoever
does not practice righteousness
is not of God, nor is the one
who does not love his brother.
