BW-A5

A5. Is the one true triune God the joy at the heart of the universe?

Ans: Yes, the joy at the heart of the universe is the one true triune God that exists in three persons (the Father, the Son and the Holy Spirit) who display a loving fellowship from everlasting to everlasting.

Acts 17:26-28

²⁶ And he made from one man every nation of mankind to live on all the face of the earth, having determined allotted periods and the boundaries of their dwelling place, ²⁷ that they should seek God, and perhaps feel their way toward him and find him. Yet he is actually not far from each one of us, ²⁸ for "In him we live and move and have our being"; as even some of your own poets have said, "For we are indeed his offspring."
