CREATION - C1

After acknowledging that God is The Creator (A-Intro), what is the reason we now talk about his works of creation (B-Creation)?

Ans: God created all things out of nothing for his own glory (praise).
God expects to be rewarded by us offering him praise and worship (Glory).

Hebrews 11:3

³ By faith we understand that the universe was created by the word of God, so that what is seen was not made out of things that are visible.
