BIBLICAL MENTORING

(JUNE-NOVEMBER, 2026)

1. Ministry Report

INTRODUCTION

Over the past five consecutive months, I have been actively involved in training disciples to become effective disciple-makers through Biblical mentoring,I have been under mentorship of Ron Lively coaching, equipping and training me via our study guide, right now we are in TD 17 created to reproduce. This training has really transformed and I can see changes through my training to others.

TRAINING

I have been conducting training through both one-on-one mentoring and the formation of small discipleship groups, creating opportunities for deeper Bible study, spiritual growth, accountability, and practical disciple-making (*Make disciples not converts TD 1*)

In addition to the local training, I have continued training and equipping other disciples across East Africa and West Africa. The goal is to develop mature disciples of Jesus Christ who can confidently mentor others, reproduce themselves spiritually, and establish a growing movement of disciple-makers who can train others to reproduce. ***What is discipleship TD 5***

Through this ministry, we are committed to fulfilling the biblical mandate of 2 Timothy 2:2, which encourages us to entrust what we have learned to faithful people who will also be qualified to teach others.
